The Theta Tau Educational Foundation Scholarship Program has been established and regularly awards scholarships to student members of Theta Tau to enable them to continue their engineering education. The recipients are selected on the basis of their academic achievements, their participation in campus and community activities, and/or on financial need. Theta Tau's goals of assisting our Brothers and recognizing and fostering high academic achievement among members is strengthened through this program. Since inception, the Foundation has awarded nearly $100,000 in scholarships to the following deserving student members:
